Karnataka is a state located in southwest India neighboring Kerala and Tamil Nadu to the South, Andhra Pradesh to the East, Maharashtra to the North and the beach paradise Goa to the West. It ranges from the middle of the Deccan Plateau to the west coast, covering 5.83% of the total geographical area of India. There are pleasantly cool highlands in Karnataka, such as Bangalore and Mysore where people come to spend the summer.

Karnataka was known as the Kingdom of Mysore ruled by the Wodeyar family at a certain era of history. It became the Princely State of Mysore under control of the British Raj, in 1799, after the Anglo-Mysore Wars, which were fought over the last three decades of the 18th century. The Mysore kings were so eminent as to firmly establish modern and urbanized administrative policies and educational systems, thus building up the fundamentals of Karnataka. After India gained independence, the Princely state of Mysore became a state of Mysore whose boundaries were modified by the States Reorganizations Act of 1956, a major reform of the boundaries of India's states along linguistic lines. In 1973, the state was renamed to Karnataka.

Starting from Bangalore, the capital of Karnataka is the best way to travel around as it has a good transportation network. Riding the bumpy roads further north, the scenery gets hilly, forts and small villages grow out of the landscape. Chitradurga Fort, located on the surface of rocky hills, is a must-see in this administrative district. Moving up a north, there are the only two UNESCO Sites in Karnataka. Group of UNESCO Monuments at Hampi in Bellary district and Group

of Monuments in Pattadakal in Bagalkot district are situated comfortably one day drive from each other. Once in Pattadakal, the cradle of ancient Hindu temple architecture in Aihole and a "monkey paradise" around Badami caves are definitely worth the visit. The superb view from the stone-cave temples never stops fascinating people.

The drive way up west of Karnataka is splendidly scenic. Gokarna is a beach village in Uttara Kannada district, where it is on the corner of Northwest Karnataka.

Passing by a huge statue of god Shiva on the way down to Mangalore, a principal port city located in the southwestern tip of Karnataka, Dharmasthala shows up with its sacred aspects in Dakshina district. It is well-known as a temple village where many devotees gather up from different districts.

Beyond green mountains with the wonderful natural view of ravines, the river Kaveri flows generally south and east. In the east of Kodagu district, a town - Bylakuppe - functions as a Tibetan refugee settlement. Belur and Halebeedu are one of the major tourist destinations in Karnataka on the outskirts of the Hassan district.

On the Mangalore-Bangalore National Highway 48, where the state highway leading to Mysore intersects, there is a famous Jain pilgrimage center, Shravanabelagola. Before reaching Bangalore, it is highly recommended to visit the most famous places of natural beauty and historic interest in Mysore. The trip is over in this old city where the prosperity of Karnataka took its origin.
